APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. A standard headgate and weir must be installed at or near the point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water herein granted at any and all times. It is distinctly understood that applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 6.4 cubic feet per second. (Six & four tenths)

Actual construction work shall begin on or before May 11, 1919.

Proof of commencement of work shall be filed before June 11, 1919.

Work must be prosecuted with reasonable diligence and be completed on or before August 11, 1919.

Proof of completion of work shall be filed before September 11, 1919. Application of water to beneficial use shall be made on or before August 11, 1926. Proof of the application of water to beneficial use must be filed with State Engineer on or before September 11, 1926.

Proof of labor filed JUL 13 1919 WITNESS MY HAND AND SEAL this 11th day of April, 1919.

Proof of completion of work filed SEP - 8 1919
Cancelled OCT 24 1935 because of failure of
applicant to comply with provisions of permit.
